

# **Privacy statement Paris MoU**

The Paris MoU will handle personal data with care.

## **Personal data that are used**

The Paris MoU handles several types of personal data, depending on the goal it is used for.

## **Goals and basis upon personal data are used**

The Paris MoU uses personal data in cases you use our contact form to get in touch with you to inform you about your inquiry.

## **Storage of data**

The Paris MoU does not store personal data longer than necessary for the mentioned goal.

## **Sharing of personal data**

The Paris MoU does not sell or share personal data.

## **Security**

The Paris MoU has taken suitable measures to protect personal data for misuse, loss, unauthorised access, disclosure and unauthorised adjustments.

The secretariat of the Paris MoU is liaised with the Dutch Ministry of Infrastructure and Watermanagement. Therefore possible complaints can be submitted to the Dutch Data Protection Authority (Autoriteit Persoonsgegevens; <https://autoriteitpersoonsgegevens.nl/en>)
